

APPLY NOW FOR A FULLY FUNDED YEAR AT THE UNIVERSITY OF PENNSYLVANIA

Sawiris Penn Scholars

Explore American culture and experience the rich academic life at an Ivy League University. During their time at the University of Pennsylvania, students will work closely with faculty while developing newfound skills, a global outlook, and friendships to last a lifetime.

The Sawiris Penn Scholars Exchange Program has been developed to allow for an inspirational exchange of ideas, knowledge, and culture between Penn students and students in the electrical engineering and architecture engineering programs at Ain Shams University. Sawiris Penn Scholars are selected based on their merit demonstrated through academic excellence and extracurricular activities.

With great appreciation to a generous gift from the NNS Foundation – a charity fund settled by Nassef Sawiris – and in collaboration with the Sawiris Foundation in Egypt, the Sawiris Penn Scholars receive a full scholarship – covering tuition, airfare, housing, health insurance, and a living stipend.

Join this exciting global community and see where Penn will take you.
